# Sustainable Development for People, Planet & Prosperity

- **People:** social dimension.
- **Planet:** environmental dimension.
- **Prosperity:** economic dimension.
- **Partnership:** collective and collaborative approach to implement and achieve universal engagement
- **Peace:** ethical dimension, ideals and values such as equality, freedom, human dignity and justice.

*Progress has been recorded in tracer indicators, however the pace remains slow.....*

**Poverty** reduced from 55.6% in 2002 to 41.4% in 2019 (ECA/WB)

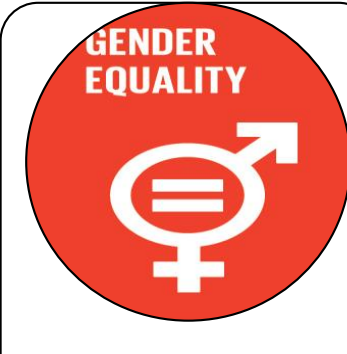

**Prevalence of Undernourishment (PoU)** is 20% of the continent's population with regional disparities

**Healthy Life Expectancy** improved by 9.6 years (2017 WHO) varying across regions, HICs, UMICs, LMICs and LICs

**Access to quality education** - early childhood education, technical and vocational, and higher education – is improving, completion rates vary.

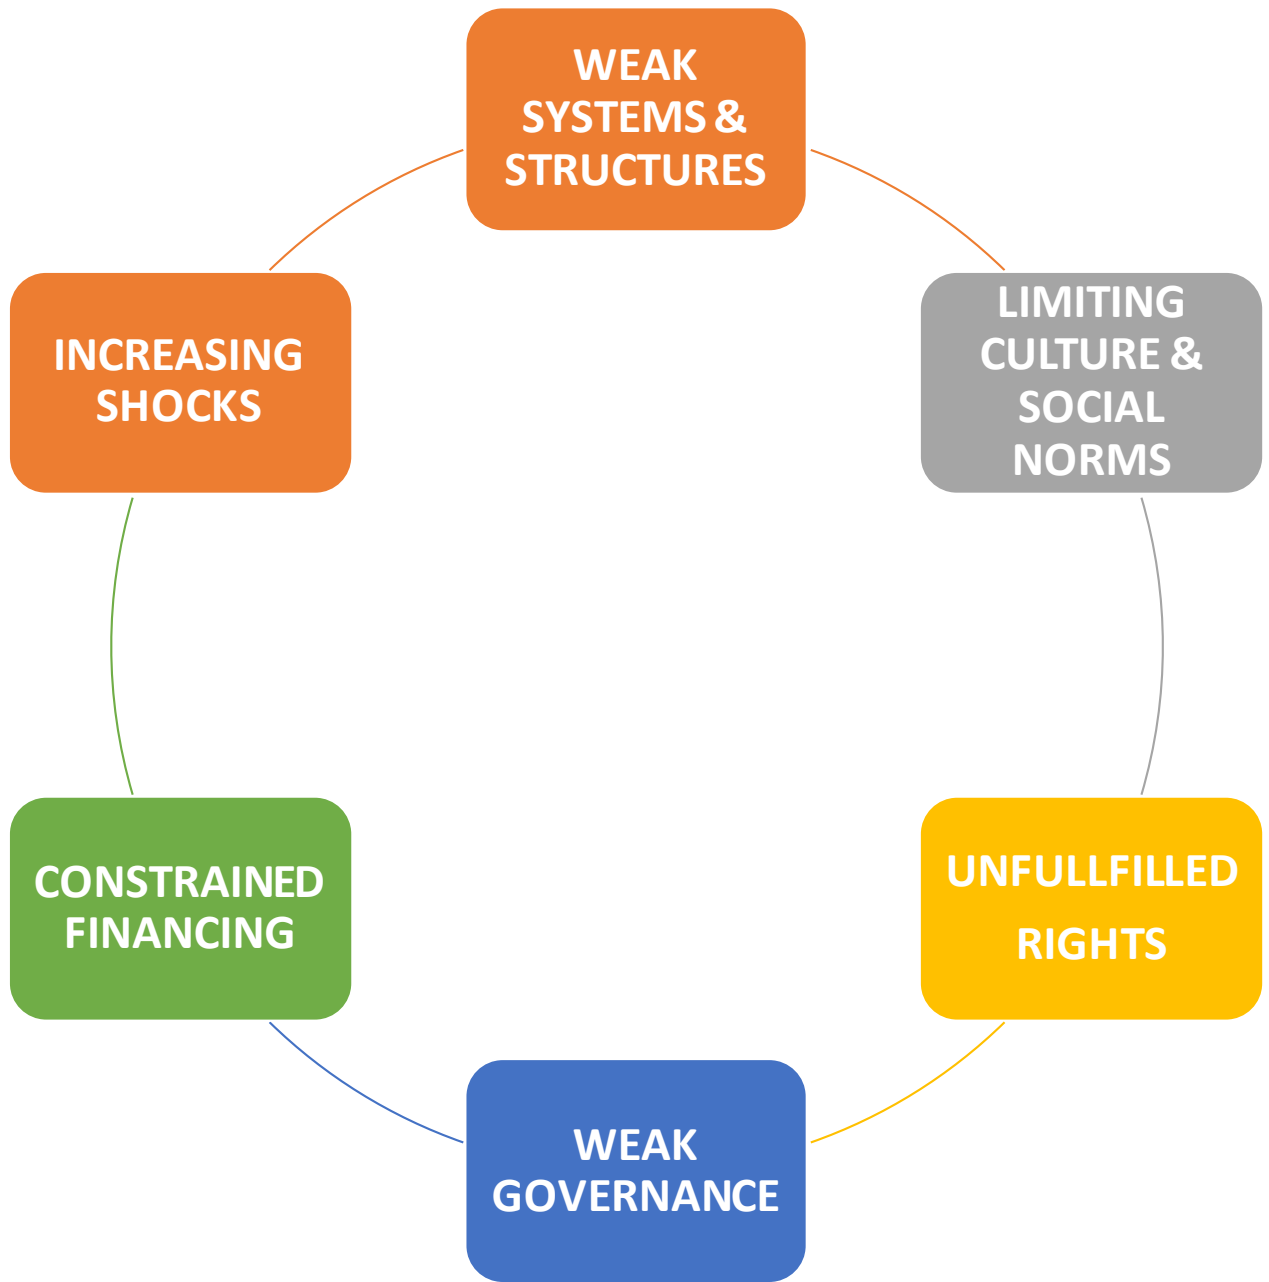

**Gender equality** remained unachieved across all dimensions

**GENDER DIMENSIONS OF GOALS 1, 2, 3 & 4**

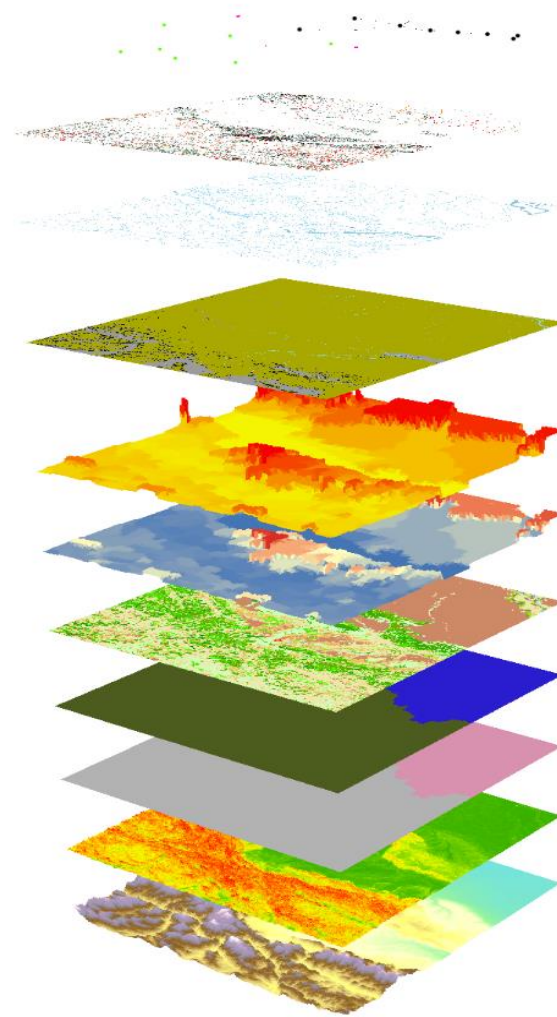

# *Underlying drivers*

# *Stepping up the pace in the decade of action*

# *Harnessing the Power of data to Leave No One Behind – An Accelerator in the Decade of Action*

**Harmonized data layers**

THANK YOU!
