

# EMPOWERING ACTION AND SUPPORTING THE DECADE OF DELIVERY THROUGH HIGH-IMPACT LEARNING

a side event at the 6th Africa Regional  
Forum on on how learning can support the  
Decade of Action to deliver the Global Goals

---

The **UNSSC** side event will discuss the benefits of high-impact learning and training as a driver of the Decade of Action. It draws upon the experience of the **UN System Staff College (UNSSC)** around the world. It will be an interactive learning event with practical exercises for participants and will use a case study to facilitate lively discussions.
